EKS

Through this strong interest, he is able to initiate, facilitate and contribute to the conclusions of key ASEAN initiatives, such as ASEAN Open Skies, ASEAN Single Aviation Market and MRA on Tourism Professionals, through close coordination with key stakeholders from governments and private sector. Not only contributing in the development process, he is also actively involved in assisting implementation, providing input and recommendations including monitoring the results of those initiatives to ensure the achievements of their ultimate objectives and expected results. Vast experience and knowledge about aviation, tourism, and wide and strong network with ASEAN government officials and private sector in those sectors have been the key factor of his advantages.

Experience

The ASEAN Secretariat, Senior Officer, Tourism and Transportation 1 January 2011 - present

Provide policy coordination support for ASEAN tourism and aviation cooperation through drafting sectoral work plans, agreements, technical papers, research-based papers, and necessary coordination with key stakeholders including government officials and private sector. Initiate, develop and review project proposals, related to the implementation of ASEAN Tourism Strategic Plan 2016-2025, and previously the Implementation Framework of the ASEAN Single Aviation Market (ASAM). In addition, active involvement and contribution in conclusion of the following key initiatives/activities:

- Finalisation of Protocol 2 of the ASEAN-China Air Transport Agreement (AC-ATA);
- Preparation of ASEAN-Korea, ASEAN-India and ASEAN Japan Open Skies;
- Convening ASEAN-EU Aviation Summit;
- Convening of Visit ASEAN@50;
- Adoption of ASEAN Tourism Strategic Plan 2016-2025;
- Adoption of the ASEAN Tourism Strategic Plan (ATSP) 2011-2015;
- Adoption of the ASEAN Tourism Marketing Strategic 2012-2015;
- Facilitation and monitoring support for the implementation of the Mutual Recognition Arrangement on Tourism Professionals (MRA-TP) through projects;
- Completion of the development of 242 Toolboxes for MRA-TP including its training for ASEAN Master Trainers and Master Assessors; and
- Development of ASEAN Tourism Professionals Registration System.

The ASEAN Secretariat, Special Officer, Tourism and Transportation 1 January 2007 – 31 December 2010

Provide policy coordination support for ASEAN tourism, minerals and transportation cooperation including drafting sectoral work plans, agreements, project proposals, technical papers and background information papers and monitoring the progress. Active involvement and contribution in conclusion and monitoring of the following key initiatives/activities through close coordination with key stakeholders:
